There was general discussion about the Balmoral Race Park building and its new owner. Many residents were very concerned about the upkeep of the building and grass cutting. It was mentioned that some of the roofs are collapsing. In addition, it was mentioned that the fence was not properly maintained. It was also mentioned that the parking lot has become a storage facility for Ford Motor Company with all the explorers that are parked in the facility. Supervisor Liccar led the discussion about how the Board is opposed to having the Balmoral Park venue to become a truck terminal. The Board of Trustees plan on having a hearing soon about that situation. The Board and Supervisor Liccar will be writing a letter to that effect to the Will County Land Use and the Will County Board.
