Township Meeting Notes:

- Appeal season started today, August 11th through September 13th. Notices have been received in some areas based on the phone calls that came in today.
- Our Township multiplier is 1.0670 for the 2021 year. This was placed on all the properties other than commercial & industrial. This is based on the difference in our values and the sale amount.
- The field staff has been out measuring properties based on the permits, rechecks, and neighborhood studies.
- We have new carpet in the office! It has really spruced up the room and saved the trip hazard.
- We have office equipment that we are no longer using that I would like to consider surplus. I am going to have the hard drives cleared and have a place to donate them to. The equipment is listed below.
 - 3 towers
 - 3 printers
 - 1 typewriter
