

TOWNSHIP OF CRETE

Office of the Assessor
Mary Margaret Tamez

February 12, 2025

Township Meeting Notes:

- We have been collecting the exemptions for those that have turned 65 this year.
- We have been filing Certificate of Errors for those that did not apply for exemptions they qualified for in the year 2024 as of 2/1/2025.
- All renewable exemptions will be mailed from Will County in April, and we will not have this information prior to that time.
- Leigh is drawing the field staff work, entering permits, and exemptions.
- Paige is doing all the deed work and exemptions.
- I have completed our sales study for the last three years. This is a tool used to investigate neighborhoods that are in need of attention of an increase or decrease in value as a whole. We rely on this for many reasons to help show value.
- We will be hosting an exemption renewal day with Will County coming to assist with the forms. This is an event that will accept anyone County wide in efforts to assist those in the eastern portion of Will County. I am planning on inviting our Catholic Charities Representative along with the Veterans organizations to have a place to pass out information. It is a nice day to provide information to the community. If there is any other resource that you can think of, please let me know. The date is May 9th and I will keep you informed on any additional information as it gets closer.
