Township Meeting Notes:

- The filing date listed on the exemption forms was July 1, 2022. If you were unable to complete the exemption form as of that date, we can still submit them as of now. Our exemption renewals are still steadily coming into the office. We currently have filled out:
 - 122 exemptions and 25 certificate of errors as of 4/13/2022.
 - 310 exemptions and 25 certificate of errors as of 5/11/2022.
 - 772 exemptions and 27 certificate of errors as of 6/8/2022
 - 820 exemptions and 27 certificate of errors as of 7/12/2022
- Emma and Mary have been out measuring the Township. We have received many phone calls about their visits. They have ID's, door hangars that are left with the person who answers the door, as well as vehicle stickers to show proof of who they are. There have been some that have refused them to measure, therefore we will have to update the file from our Pictometry program overhead. It is quite accurate; however, it is always better to have the information on the ground. They have visited 128 homes as of 7/12/2022. They will be measuring through mid-August.
- I hosted a new assessor meeting July 15th in our meeting room. It was to help guide the new assessors through the process assessing due to so many being single person offices. I have been helping them individually and it seems to be easier to work together as a group. There were ten assessors that attended and I received really good feedback! Our next meeting is August 5th at 10:00 am in the meeting room.
