Assessor

Township Meeting Notes:

- We are still entering the updated 2021 assessments.
- The tax bills have been sent. We have had many phone calls with the increase in values of the properties. It has been quite some time since we have had an increase like this because of the market. There are quite a few people wanting to appeal and we have started looking into the assessments on some of the properties.
- The field staff has been out measuring properties based on the permits, rechecks, and neighborhood studies. We will have a second crew starting toward the end of the month.
