

TOWNSHIP OF CRETE

Office of the Assessor

Mary Margaret Tamez
Assessor

November 10, 2021

Township Meeting Notes:

- I have submitted the last of the 40 appeal's evidence today. It was a very smooth appeal season. We will find out the judgement the end of January. Some information:
 - Two of the appeals withdrew after speaking with them
 - Fourteen of them I was able to come to an agreement with them to eliminate the hearing.
- For the current 2020 tax bill, corrections can still be made to the assessments due to error as well as any exemptions that were not filed that the owner may qualify for. The County has extended this time out until December now due to the tax bill payments still being made.
- Leigh has been working on all of the measuring the field staff has completed as well as the phone calls and exemption forms as well as permits and making the field check forms for the field staff.
- Max has been keeping all the deeds and PTAX forms up to date.
