

Office of the Assessor
Mary Margaret Tamez

October 8, 2025

Township Meeting Notes:

- We are still able to take renewal exemptions despite the County forms date. It is for them to begin processing so please bring the renewal forms in.
- We can still make corrections to the current bill through October 31st for exemptions or errors in the structures.
- Leigh is drawing the field staff work, entering permits, and exemptions.
- Paige is back in the office after her maternity leave. She is working on sales and deeds.
- We have 42 appeals filed. I will be attending hearings for those appeals this upcoming month.
- I attended the Legal Symposium that is an education event that incorporates the attorneys in with our assessment professionals. It is such an interesting spin to see the other side and create relationships with those that are filing appeals.
- I signed up for a booth at the Halloween Hoopla event. Looking forward to that event!
